Work Experience

Aarhus University (AU) Aarhus, Denmark
Ph.D. Fellow; Department of Economics and Business Economics
Since 09/2024

Fraunhofer Institute for Applied Information Technology (FIT) Sankt Augustin, Germany
External Research Fellow; Microsimulation & Econometric Data Analysis
Since 03/2024

KPMG AG WPG Hamburg, Germany
Associate (0.6 FTE); Public Sector Consulting
07/2023 – 01/2024

- Managed and enhanced a SQL database in a federal IT security project by refining both the front- and back-end systems. This significantly reduced search times and improved data reliability.
- Developed and implemented multiple SQL and Python scripts to automate key work-streams.
- Achieved exceptional utilization rates, reaching 107.9 % of available hours and 92.4 % of total hours.
- Project was recognized with the Best of Consulting Award 2023 (Wirtschaftswoche) in Technologies.

Fraunhofer Institute for Applied Information Technology (FIT) Sankt Augustin, Germany
Intern; Microsimulation & Econometric Data Analysis
05/2022 – 07/2022

- Estimated the costs, financial requirements and number of funded students by Germany's BAföG (student aid) based on (possible) legislative changes to advise the Federal Ministry of Education and Research (BMBF).

KPMG AG WPG Hamburg, Germany
Intern (4 mos.) & Working Student (3 mos.); Public Sector Consulting
09/2021 – 03/2022

- Strategically controlled the information security within a large IT consolidation project of federal authorities through the establishment of KPIs and strategic instruments, such as a Cybersecurity Maturity Model.
- Admitted to the KPMGnext Talent Program (former highQ) for the best 10 % of the interns.

Leuphana University Lünenburg, Germany
Tutor; Statistics I & II
10/2019 – 07/2021

Federal Ministry of Finance (BMF) Berlin, Germany
Intern; I D 1 - G7/G8, G20, Global Economy, Money and Currency issues; Task Force C19
03/2021 – 04/2021

- Analyzed the data of Covid related corporate aids (1,000,000+ observations) in order to estimate its effect and possible repercussions by corporate insolvencies. The results were not only presented to the Task Force COVID19 on a weekly basis but also formed part of various direct submissions to the Minister and Secretaries of State.

Education

Aarhus University (AU) Aarhus, Denmark
Ph.D. Economics
Since 09/2024
